SUBJECT: AUTOPSY FLOOR CLEANING CONTRACT

At your board meetings of May 23 and June 26, 2006, the subject of the autopsy floor-cleaning contract was discussed, which touched on scheduled cleaning times. For clarification, the scheduled cleaning times are set by the coroner in order to avoid unnecessary traffic during peak workload hours. This schedule is the most efficient system for handling the cleaning needs of the autopsy floor, and provides the necessary cleaning services required by the coroner. The vendor provides cleaning services every day of the week.
